PROFESSIONAL SUMMARY

Electronics and Communication Engineering student with hands-on experience in web development, software engineering, and data analytics. Skilled in frontend development, database management, and building responsive, user-centric applications. Experienced in collaborative development environments, debugging, workflow optimization, and delivering scalable technology solutions.

SKILLS

Programming & Databases: SQL, Python, MongoDB

Web Technologies: HTML5, CSS3, React.js, Tailwind CSS

Data & Analytics: Pandas, Data Cleaning, Data Analysis, Power BI, Gen AI

Tools: VS Code, Google Colab

EXPERIENCE

Technology Intern — Utkal Labs Private Limited

Sep 2025 – Dec 2025

- Gained practical exposure to real-world software development processes and technologies.
- Assisted in application workflow analysis, debugging techniques, and system-level problem solving.
- Demonstrated adaptability, learning ability, and strong professional work ethics.

Web Development Intern — Allotrope Systems Pvt. Ltd., Kolkata

Jul 2025 – Sep 2025

- Developed responsive web modules using React.js and Tailwind CSS for client-facing applications.
- Built reusable UI components to enhance maintainability and development efficiency.
- Collaborated with senior developers to debug UI issues and improve user experience.
- Utilized Git for version control and collaborative development workflows.

ACADEMIC PROJECTS

Srijoni Healing Home – Healthcare Website

- Developed a responsive healthcare website using mobile-first design principles.
- Implemented reusable React components and optimized UI using Tailwind CSS.
- Improved navigation flow and accessibility across devices.

Fitness Tracker Application

- Designed and developed a fitness tracking application using the MERN stack.
- Implemented JWT-based authentication for secure user access.
- Integrated real-time progress visualization and optimized backend APIs.

Smart Health Monitoring Dashboard

- Built an interactive health analytics dashboard to monitor patient vitals and trends.
- Cleaned and processed healthcare datasets using Pandas for accurate reporting.
- Designed dynamic Power BI dashboards to support data-driven decision-making.

EDUCATION

B.Tech – Electronics and Communication Engineering

2022 – 2026

RCC Institute of Information Technology (RCCIIT), Kolkata

CGPA : 7.02

Higher Secondary (CBSE)

2021

Delhi Public School, Ruby Park, Kolkata

Marks : 82%

Secondary (ICSE)

2019

Don Bosco Eng Med School

Marks : 88%

ACHIEVEMENTS & RESPONSIBILITY

- Successfully completed internships in Web Development and Technology across two organizations.
- Served as Editor-in-Chief of the Journalism Club, RCCIIT.
- Delivered real-world projects in web development, data analytics, and healthcare technology.
